

Play to Learn

Lending Library & Curriculum Services

Service Contract

- Your Play to Learn theme kit or rental items _____ (name of kit) will be dropped off on _____ and pick up on _____. Please have all the items provided back in the theme kit or travel tubs and available at that time for pick up.
- The prepaid charge for your theme kit or rental items are _____. In addition to this cost, a reimbursed damage deposit of _____ was charged. The reimbursed damage deposit will be Paypaled to you on the day your kit has been picked up and reviewed for all items contained to be present. The contents of each kit are photographed prior to delivery to document the contents of the themed kits. If Play to Learn should find missing parts from the themed kit, the renter has 1 week to located items or Play to Learn will be reimbursed for the cost of the item if the damage deposit doesn't reflect or cover the cost of the items missing.
- The kits will indicate the ages of children for which they are geared towards. Please supervise the use of the kits and toy items with all children. Play to Learn waives any responsibility for any accidental choking or injury that would possibly occur as a natural curiosity of the children using the themed kits.
- If a reportable illness should go through your child care home or center (covid), you will contact Play to Learn with this information while a themed kit is in your setting. Themed kits will not be available if your child care setting is closed or under quarantine.
